Senior Class History

ON September 8, 1919, forty-three Freshmen entered at the portals of B. H. S. for the first time.

After the usual confusion we elected the following officers: Pres. Homer Campbell; vice Pres. Lionel Devore; Sec. and Treas. Wilbur Raney. Blue and Black were chosen as class colors and to match that, "Every kick is a Boost" was chosen as our motto.

Upon entering school in the fall of '20 we elected new officers. At the end of the first semester, however, our class president, Miss Clay moved to Ft. Wayne and the vice president, Zona Smith succeeded her.

Our Junior year was more peppy than ever. We met at a class meeting and elected various officers. Pres. Maurice Wiley; Vice-President, Zona Smith; Secretary and Treasurer, Wayne Hendricks. The tea rose was chosen as the class flower.

This year was occasioned by several social events. The Junior-Senior Banquet was one of the best ever given by a class and a decided success. Even the august, dignified Seniors congratulated us on its success.

In the fall of '22 we reached that exalted stage that few attain—Seniors! We vowed to make it the best class that has ever graduated from B. H. S.

The first thing to consider was the election of officers, and in a class meeting we elected the following ones: Wayne Hendricks, President; Albert Hiatt, Vice-President; Laura Stroh, Secretary; Jesse Raney, Treasurer.

We then got busy on the annual for '23. We have been working very hard on this and are trying to make it one of the best ever. There was the usual busy time of selecting commencement invitations, name cards, and taking pictures and the worst job of all, scraping together the necessary "cash".

By the time you read this we will probably no longer be members of B. H. S. but members of its alumni; and the Junior class will take our place and each class move up the ladder a notch higher. So the world goes!

Wiley, '23.

Senior Class Prophecy of 1923

YEARS had rolled past. Long, tiresome, yet blissful years. Blissful because they were unscathed by any matrimonial difficulties.

After graduating from B. H. S. with that long-to-be-remembered class of 1923, I had taken up my life work, work which had appealed to me above everything else since my childhood, that of a salesman.

I secured a position with a phonograph company, my branch office being located in a small city in Ohio. The company always made special efforts to sell to mutes as they were lest apt to be critical if in any case an instrument should go wrong.

After twenty years of wildly swinging my hands and nodding my head in a mad endeavor to convince them of the necessity of my wares, I greatly felt the need of an extended vacation. Packing my few personal belonging I set out.

My first stop was in Toledo. There my attention was drawn to great signs announcing that M. Wiley, the great tenor, was to sing in a prominent theater, that evening. The announcement filled me with wonder. Could it possibly be Maurice Wiley, the same little blue eyed lad I had known in my High School days? My curiosity aroused, I resolved to hear him, and was very much surprised and also pleased to find that it was the same old Maurice.

After the entertainment I managed a meeting with Mr. Wiley, and after an exchange of greetings he suggested that I spend the night with him at his hotel. Maurice said he also felt the need of a rest and accordingly we decided to sojourn together. We formed no definite plans as to where we should go, only that we stop at Butler and visit the old haunts once more. Maurice had a few business matters to attend to before leaving, which made it impossible for us to start before the following afternoon.

We lunched the next day in a small restaurant near the depot. As a waitress approached, something about her seemed to recall an old friend. As she came nearer, I recognized her as Donna Daniels, one of my old class mates. While yet in High School, Donna was forever throwing boquets and she informed us that she just had to throw something, so she had chosen as her means of livlihood, that of slinging hash. After wishing her the best of luck we purchased our tickets to Butler and soon were rolling along toward the village. We were idly talking over the past when we were interrupted by

a gruff voice. "Tickets please", was the curt message. As he walked on down the car, Maurice said to me, "Doesn't he remind you some of Albert Hiatt"? When he came back and we could get a better view of him we were certain that it could be no other. Although grown rather corpulent and perhaps a bit bald, he was the same old "Al" and we enjoyed our meeting with him very much.

We arrived in Butler in good time and were somewhat surprised to find that it had grown to be quite a fair sized city. We hailed a taxi and climbing we were greeted by that onee familiar smile—Oh yes! That of Wayne Henricks. Wayne insisted that we take the evening meal with him. We enjoyed the meal very much, also and were glad to meet his wife who was no other than Thelma Sechler, for whom we remembered Wayne had always had a superfluous amount of affection.

The next day we decided to visit the High School. We found it to be considerably larger than the last time we had seen it. We entered the building and made our way to the Superintendent's office and were about to enter.—"Could it be possible"? was the thought that came to my mind. The same question seemed to trouble Maurice. Yet it was all too true. There sat an old classmate, Jesse Raney, now risen to the dignified position of superintendent of Butler High. We had a long talk with Jesse and he informed us that other of our classmates now held positions of honor in the old school. Zona Smith, he told us, was teaching Senior English. and not wanting to slip us a bit of flattery, but that she had been unsuccessful in finding a class as dignified, brilliant, and capable as that of '23. Grayce Keller was the girls' athletic coach, while Richard Dannells was the boys' Physical Director.

The next day was circus day in Butler. It had been many moons since I had last attended a circus and so by mutual agreement Maurice and I decided to stay over and see it.

As we approached the show grounds we heard all the sounds familiar to a circus, but one man's voice could be heard above all the din and clatter.

"He's the only one in captivity, folks," the voice was crying. Who could this man be who had such a voice and who was willing to use it? When we drew nearer we recognized him as Willis Snyder of the class of '23.

We entered the "Big Tent" and found the performance already under way. We were especially interested in the trapese performances. Why shouldn't we be? Members of our own class in High School were among them. There were Laura Stroh and Hilda Searfoss decked out in tights, swinging lightly to and fro with the utmost ease and skill.

Next to appear before our wondering gaze was the snake charmer. We made our way to a long line of tents which

constituted the side show. We entered a large tent and there she was before us in all her mystic glory, her blue eyes seeming to dance with pleasure as she caressed the horrid reptiles. Upon closer observation we were amazed to find out that it was Beulah Spake, another one of our happy classmates.

The next tent we entered was that of the ever present "FAT LADY" whom we found to be another old acquaintance, Mabel Steckley.

Leaving this tent our attention was drawn to large pictures advertising, Smiles Funny Features, the "Happiest Man in the World." "Surely this man is worth seeing," we argued. We entered and the sight before us nearly knocked us cold. There seated upon a huge throne, the entire of which was upholstered with Peacock feathers, sat Arlo Wynkoop wearing his never-to-be-forgotten smile, which quite frequently, you will recall, was widened into a pronounced grin. Maurice brought to my memory the fact that Arlo was the only one who could smile when it was announced that we were to have a Chemistry test. Perhaps this fact had been a valuable asset to him in acquiring such a title.

The remainder of the circus proved uneventful in that we saw no one else that we knew. Having been so fortunate in seeing so many of our old classmates, our interest was aroused to inquiry concerning the rest of them.

Carl Kaiser, we were informed, had taken up mechanical engineering and had been very successful, now being foreman in a large aeroplane factory.

Clark Gould was living on a farm in North Dakota, and the last report was that his wheat was doing fine.

Wilda Diehl had been quite successful as a saleslady in the ready-to-wear department in a large retail store in the East, making frequent trips to Paris where she was a marvel at selecting the newest and best the fashion city could produce.

Lester Copeland had chosen Missouri as his home, where, with his faithful mule and his corn cob pipe, life was just one grand dream and pipeful after another.

Dorothy Campbell had married a minister and had become a valuable partner in her husband's chosen profession, being very influential in keeping his little flock walking in the straight and narrow path.

Thus had the Fates mapped out the lives of that once jolly and carefree class, each one filling his place, although perhaps far from their childhood fancies.

The next day we proceeded on our way with hearts much lighter, glad to have learned of the welfare of all our classmates. As we sped along I was gently lulled to slumber and to dreams of the old school, by Maurice whose sweet tenor voice was idly chanting that old familiar refrain, "WE'RE LOYAL TO YOU BUTLER HIGH". "Fiz," '23.

Class Will

WE, the members of the class of 1923, having reached the end of our scholastic career, and though somewhat fatigued by incessant mental toil, but still of sound mind, memory and understanding, do make and publish this, our Last Will and Testament, hereby revoking and making void all former wills heretofore made by us at any time.

All our worldly estate, and all the property, real, personal or mixed of which we shall die seized or possessed, or to which we are entitled at the time of our decease, we devise, bequeath, and dispose of in the manner following.

Item 1. Bequests to faculty.

We give and bequeath to our teachers all our unfinished lessons and badly rendered recitations; we also will to them peaceful nights and undisturbed slumbers, for no longer will they have to worry over our exams; no longer will our grades disappoint them; no longer will they have to listen to our supplications. Rest will be theirs, a long well-earned rest from arduous toil.

Item 2. Bequests to individual members of the Faculty.

To Miss Leigh, another pair of rubbers for Mr. Fleenor to fall over.

To Miss Landis a card of electric curlers.

To Miss Shirley, a servant to pull off her boots for her.

To Miss Gares, a fish pole with which to lead Glee Club.

To Mr. Fleenor, the memory of our good grades.

To Mr. Hawbaker, the hope that he may have a better Physics class next year.

To Mr. Forney, a derby.

Item 3. Following are the personal devises of the individual members of the Senior Class..

Dorothy Campbell leaves her gift of gab to Edith Diehl.

Beulah Spake leaves her giggle to Silas Nodine.

Wayne Henricks, our worthy class president leaves his heart with a certain member of the Junior Class.

To anybody who may need it, Donna Daniels' gift of bluff. Apply early and avoid the rush.

Mauriee Wiley wills his ability to make demerit marks to Earl MacDonald.

Thelma Sechler wills her reputation as a "man catcher" to Margaret Lowe.

Arlo Wynkoop wills his curly hair to Mr. Fleenor, so that

Miss Shirley will not have to renew his "permanent" wave so frequently.

Hilda Searfoss leaves her ability to keep quiet to Josephine Signs.

George Ocker wills his "sheik" hair cut to Frederick Gengnagle.

Zona Smith wills the honor of carrying the key to the assembly room desk to the editor of next year's annual.

Albert Hiatt leaves his ability to make baskets to Walter Rank.

Richard Damels wills his reputation as a flirt to John Wagner.

Grayce Kellar leaves her goloshes to Ferne Houser. In case they are too large, she may stuff them with paper to make them fit.

Willis Snyder wills his executive ability to Roscoe Wilson.

Clark Gould wills the gum in his desk to anybody who may need it.

Mabel Steckley leaves her reducing records to Mary Carpenter.

Laura Stroh leaves her freckles to Edwin Keep.

Jesse Raney wills his bashfulness to Huber Knisley.

Wilda Diehl gives her powder puff to Mr. Fleenor.

Carl Kaiser wills his stature to Charles Schramm.

Lester Copeland leaves his desk to whoever happens to receive it next year.

All the residue of our property, whatsoever and wheresover, of what nature, kind or quality it may be, and not herein disposed of, we give to our beloved Principal, the use of which is left entirely to his discretion.

And we do hereby constitute and appoint the said Principal sole executor of this, our last Will and Testament, without bond for the faithful performance of his duties.

In testimony whereof, we the class of 1923, have to this, our last will and testament subscribed our names this day of May 1923 A. D. One Thousand Nine Hundred and Twenty Three.

Junior Class History

SEPTEMBER, 1920 we entered B. H. S. as Freshmen. At our first class meeting we elected the following officers:

Earl McDonald ..... President
Robert Rudd ..... Vice-president
Ralph Sturgis ..... Treasurer
Dorothy Ocker ..... Secretary

We played Basket Ball with the Sophomores and were victorious but alas! we were defeated by the Eighth Grade team.

In November we held a class party at the schoolhouse which we all enjoyed.

In 1921 we returned as Sophomores. Our class was much smaller than when we were Freshmen, some having moved away and others having been left by the wayside, for various other reasons. We held one party at the schoolhouse. We elected the following officers:

Robert Rudd ..... President
Russell Miller ..... Vice-president
Kathryn Gehring ..... Secretary
Gaylord Mullett ..... Treasurer

We defeated the Freshmen and Juniors in Basket Ball but met our Waterloo when we played the Seniors.

For the year 1922-23 our efforts are centered on the Fortnight. We elected the following officers:

Ivol McClellan ..... President
Russell Miller ..... Vice-president
Gaylord Mullet ..... Secretary
Kathryn Gehring ..... Treasurer

We have held no class meetings yet but hope to have one soon.

We played Basket Ball with the other classes this year and defeated them all, thereby making our class the champions of the school.

Sophomore Class History

A LARGE class of Freshmen, numbering fifty, entered B. H. S. in September, 1921. They clung together in one trembling, frightened group, glaring suspiciously at any upper classman who dared come near them.

Officers were elected early in the year. Lawrence Blaker was chosen to lead us through our first year of troubles. Lavon Mavis was elected vice-president and Lillian Hiatt secretary and treasurer. Miss Gares was our class teacher. The class chose purple and gold for the class colors, the violet for their flower, and "Pep and grit win" for their motto.

The class had a weaner roast in Showalter's grove, which the majority enjoyed. This was the first party we had during the school year.

The class separated in May, resolving to come back and show the next Freshies how dignified and proper their superiors could be.

During the summer vacation the class had a picnic at Enfields park. Several were absent, and everyone present had a splendid time.

When we met again in September, we found that we had lost twelve of our members somewhere along the way. We became reconciled to the fact in time, however, and began our class meetings immediately.

Lavon Mavis was elected class President, Helen Staley, vice-president, Dorothy Clarke, secretary, and Frederick Gengnagel, treasurer. Miss Leigh was chosen as our class teacher.

We had a pot-luck supper at the school house, which everybody enjoyed. The fact that this was our only party was due to the illness of our President. Since his return, we are looking forward to many rousing good times.

The class has shown good will and loyalty to B. H. S. and it can well be said that we are trying to prove that our motto is a fine one.

Freshman Class History

THE advent of this class into Butler High School last September was a distinct occasion. There were forty-nine of us, residents of five townships and Butler city.

The first few days were consumed principally in getting acquainted with the mysteries of High School. We were totally ignorant of our "cognoscens" and "essayant". The xyz's had no value except O. Much of our English was considered "foreign" and the value of sciences, both Domestic and General, were misunderstood.

We organized in a short time and elected the following officers:

President ..... Fred Mondhank
Vice-president ..... Walter Rank
Secretary ..... Hilda Coll
Treasurer ..... Joycie Bonecutter

We have lost four of our members and gained one, but our increased mentality more than makes up for the decrease in numbers.

We can now say the conjugations and declensions in our slumber. Algebra is no longer an "unknown quantity". Anyone absorbing the aroma from the Domestic Science room will testify to our skill there, and as to General Science, well so far, that only makes us desire more science.

Our teachers all agree that we have a wonderful spirit of helpfulness, especially in the matter of preparing each other's lessons. We also have a most convivial spirit in the absence (and presence) of teachers, some of us making quite a "hit".

We earnestly trust that all effort and spirit will be guided in the right direction, that the class will graduate in '26 with the present forty-six all on its class-roll and be a credit to Butler High School.

Antonian Literary Society

FOR a long time Butler High School has been in need of Literary Societies to promote interest in literature and to help the students appear before an audience. With this in view, two societies were formed.

The first of these, the Antonians, was organized October 11, 1922, with about sixty members. A constitution was adopted, requiring that the Antonian Society meet with the other society every third week, giving a program every six weeks.

Dismissal	

The work of the Demosthonian Society has been very successful. The work of the two societies has been equally good and a fine, friendly competition has been started, by which our school will profit by these societies. We hope that the classes to come will continue these societies and make a bigger success of them than they have been this year.

Girls' Glee Club

THE first B. H. S. Glee Club was organized 1920-21. About twenty-four girls joined, and worked for a month or longer before singing in public. The Club appeared at the Parent-teachers meeting several times. No special Glee Club program was given, owing to the numerous other school activities.

This year the Glee Club was re-organized, with twenty-six members. They appeared at the Community Christmas entertainment and at the Parent-teachers meeting once. A fine program was given by the Glee Club at the County Teachers' Institute.

An Easter Cantata, a May-day program, and the Operetta are scheduled for this semester.

The girls have worked hard to get this organization started, and its popularity is rapidly growing. They are improving more all the time, and we are looking for great things from our Glee Club.

B. H. S. Carnival

THE B. H. S. went into the carnival with more pep than before. Everybody was willing to do his part. The two nights, Nov. 11 and 12 were set, which proved to be very good nights.

The girls again put on the Follies but were known as the Rainbow Girls. They gave us some good music and many fancy steps.

The Public Speaking class organized a breech of promise suit or mock trial of which Judge McDonald was in charge. This was very interesting as well as funny.

The Freshmen girls staged the play called "And Not a Man in the House."

A group of boys practiced under the name of the Ku Klux Klan which turned out to be the same as the Rainbow Girls or see yourself as others see you. This proved a big success as well as a surprise.

The Faculty board was out again but with many new faces.

Lavon Mavis brought his radio set over to the school building and furnished music for the two nights.

There were several stands which served ice cream, candy and sandwiches. There was also the flower stand.

The Domestic Science girls again ran the Tea Room.

Country Boys' Conduct Club

THE Country Boys' Conduct Club was organized by Henry Funk and Wayne Henricks, with the assistanee of the country boys. The purpose of this organization is to promote fellowship among the boys, strengthen morals, and to prevent any vandalism which might be practiced by any member on school property.

We eleeted officers at our first meeting. Henry Funk was eleeted chairman, Wayne Henricks, viee-ehairman, and Russell Miller, secretary-treasurer. Besides these officers a counеil of five members was ehosen to enforce the rules of the Constitution adopted by the club members. At another meeting we ehose Mr. Fleenor as our advisory teacher for the elub.

We were given a room in the basement which we must keep clean, making all members in turn sweep the floor. By putting on a pieture show and seeuring money by levying a tax we were able to buy a pair of boxing gloves. These gloves help to pass away the weary noon hours by a bout put on by the elub members.

The club has a fine start and will proceed with its work next year unless the Honor System is adopted. If sueh is the case the Conduct Club will be dissolved into this system. Either organization is an asset to any school.

The Hi-Y Club

DURING the last semester of the present school year, a Hi-Y Club was organized in Butler High School by Mr. Forney. The charter members of the club were selected by having each of the teachers hand in a list of five members from each class. Then the four whose names appeared most often were selected as the charter members.

The Hi-Y Club is for the purpose of sponsoring higher ideals, better morals and fellowship among the boys. They are also to promote all phases of school activities which are for the betterment of Butler High School. As yet the organization has not been perfected and a Y. M. C. A. speaker has been engaged to get the Club started. He is expected soon and the final plans will be made for the future of the organization.

The names of those selected as charter members are:

The Parent-Teachers' Association

THE Parent Teachers Association is a community organization that has been created for the purpose of bringing together the two greatest factors in the life of the child, the parent and the teacher. These meeings make it possible for an interchange of ideas. Thus the problems pertaining to the welfare of the child may be more intelligently solved.

The Parent Teachers' Association of the Butler School, now closing its second year has achieved much good. The organization has purchased scales for the school. It has also made it possible for milk to be served to those who were found to be underweight.

The first meeting of this year was held at the schoolbuilding, November 6, 1922. Miss Groscup, the county nurse, gave a very interesting talk on the work that has been accomplished by the Red Cross Society. Miss Thiel, the assistant county nurse, also gave an interesting talk on what has been accomplished by Red Cross Societies, county nurses, and Parent Teachers' Associations elsewhere.

At the second meeting which was held December 4, 1922, Mrs. McDonald explained the duties of the attendance officer. The sixth grade pupils presented a health play.

The speaker of the third meeting, held February 5, 1923, was Mr. Atkinson of Auburn. Special music and readings were furnished by the orchestra, Glee Club, grade pupils and Miss Gares.

JUNIOR SENIOR BANQUET

ON April 13, 1922, the Junior class entertained the Seniors at the annual banquet. The banquet was held in the Odd Fellows Hall.

The room was beautifully decorated in pink and white and the four course dinner which was served carried out the same color scheme. A huge basket of American Beauty roses with smaller ones at each end adorned the Senior table, while pink tea roses were used on the Junior table.

The president of the Junior class, Maurice Wiley, gave the welcome address. This was followed by the response given by Miss Naomi Lawson, Senior president. Members of the Junior and Senior classes and of the Faculty, who were to represent geographical features, gave toasts between the courses of the dinner. Mr. Forney acted as toast master.

Clark Platt, the mountain, was to symbolize strength, while Donna Daniels, the sea, represented broadness of mind. Ruth Capp represented the river, which is always flowing toward the sea, or in appliance to our lives, that we, like the river, should always strive for something higher.

The clouds, whose showers are ever reviving was typically represented by Miss Shirley. Gerald Anthony, the lake, symbolized gentleness, quietness and placidness in the nature of people. The oasis was represented by Willis Snyder. He pointed out the value of the oasis.

Zona Smith represented the valley, which was to symbolize service to the world. The rainbow, which is always a promise of better things, was represented by Mr. Hawbaker.

Mrs. Swift and Mr. Blaker sang a duet and the Blaker orchestra furnished music between courses.

DEMOSTHONIANS ENTERTAIN

A BETTER English contest was held between the Antonian and the Demosthonian Literary Societies. As a result the Demosthonians were defeated and were to entertain the other society.

On April 13, the members of both societies were invited to the school house. An amusing and enjoyable program was given. A delightful lunch, consisting of aandwiches, pickles, salad, wafers and coffee was served. After that everybody, even the dignified Seniors and the Faculty, played games.

Everyone had a very enjoyable time and the party broke up at a late hour.

THE COUNTY CONTEST

BUTLER entered the Discussion Contest, organized in 1902, for the second time. There are always three different contests held, the local, regional, and county.

The local contest was held in the U. B. Church March 13. The judges gave the honors to the following people: Piano Solo—Sarabell Capp; Discussion—Earl McDonald; Vocal Solo—Thelma Seehler; Reading—Ruth Haverstock.

The outcome of the regional contest was very unsatisfactory to us, as Butler did not receive a first place. Auburn took three events and Garrett two. In the county contest Auburn and Garrett each won the same places as at the regional.

SENIOR PARTY

THE members of the Senior Class were invited to the home of Willis Snyder on December 8. Miss Shirley and Mr. Fleenor represented the Faculty.

A lunch consisting of sandwiches, olives, pickles, salad, cake, fruit and coffee was served.

Everyone had a very good time and we departed, somewhat reluctantly at a late hour.

BASKET BALL BOYS SUPPER

A SIX o'clock supper was served Friday March 23, by Mrs. Ocker and Mrs. Hiatt in honor of Coach Fleenor and his Basket Ball Boys, at the home of Mrs. Hiatt. Seven boys beside the coach gathered to eat the good things which had been prepared. The supper consisted of mashed potatoes, creamed chicken, scalloped corn, salad, pie, cake, pineapple whip, pickles and coffee.

After the supper speeches were made by Ex-Captain Mullet, Capt. Hiatt and Coach Fleenor. Mr. Fleenor spoke of their regret on losing Capt. "Al" Hiatt and George Ocker by graduation. The remainder of the evening was spent in playing games.

The party broke up at a reasonable hour and everyone of the boys expressed the opinion that such a feed was worth all the hardships an athlete must go through to be fit to play the game.

BASKET BALL BOYS BANQUET

A BANQUET was given by Mr. Fleenor, Wednesday evening March 28, to the basket ball boys, with Mr. Forney as a guest. The players present were Albert Hiatt, George Ocker. Estel Kester, Lawrence Blaker, Albert Wideman, Russell Miller, Lewis Telschow, Walter Rank, Clyde Rosenberry, and John Poffenberger.

Before the banquet the eight letter men voted on a captain for next year to take the place of Capt. Hiatt who graduates this year. After the supper Coach Fleenor announced that Lewis Telschow was the Capt. of the B. H. S. Basket Ball Team of '23-'24.

Between the courses of the supper speeches were made by Mr. Forney, who congratulated, Coach Flenor on his success and method in dealing with the boys. by Capt. Al Hiatt. who spoke of his regret at leaving B. H. S. and by the new Captain, who thanked the boys for the honor they had bestowed upon him.

Mr. Fleenor spoke of the success of the season under many difficulties.

Capt. Hiatt presented Coach Fleenor with a gold Eversharp pencil as a token of appreciation for the things he has done for the boys this year.

Miss Shirley and the Domestic Science girls were given a vote of thanks for cooking and serving the supper.

ROBERT RUDD
Yell Leader 1921-1923

We will sing a song to Butler
Wherever we may be
May those happy days be cherished
In our fondest memories
When the green and gold are flying
'Neath our Indiana skies
We will sing a song to Butler
To our dear old Butler High.

ELIZABETH BRYAN, Captain

"Lizzie"

Lizzie was very fittingly elected captain of the team. On account of her rallness and ability to jump she was able to fill the position of center. Lizzzie is only a Sophomore and will be back on the job next year. She played in all the games and made 8 out of the 45 points. Her weakness is talking back to the referee.

JOHN R. MOORE, Coach

"Jack"

Jack started out this years team with almost a new bunch of girls. They played only six games winning two. The girls had to give up playing during the first semester because of the lack of a gymn, but we feel sure that next year with a suitable place to play and with practically the same lineup that we will have a winning team.

LILLIAN HIATT MARY WOOD MARGARET KUSS DOROTHY SUCHER

GRAYCE KELLAR JESSIE GRINDLE DOROTHY CLARKE HELEN DEAN

LILLIAN HIATT

(Shorty)

Shorty filled the position of forward splendidly this year. This is shown by the fact that she led the team in number of points making 26 out of 45. Lillian is a Sophomore and will be with us next year. Her weakness is a Freshman.

MARY WOOD

(Woody)

Woody also filled the position of forward where she did very good work. She was also able to play other positions when called upon. Mary is a Freshman and will be with the team next year.

MARGARET KUSS

(Kuss)

When Kuss goes on the floor she goes with the fighting spirit and a determination that her forward will not make any baskets. Kuss has played two years and will probably be one of the team next year.

DOROTHY SUCHER

(Sugar)

Dorothy started the season as forward but was later changed to guard, where she succeeded in keeping her opponents from scoring. She made 7 of the 45 points.

GRAYCE KELLAR

(Bobbie)

Bobbie, the only Senior on the team, played as guard but on account of illness she was unable to be in all the games. Grayce has been with the team three years but this will be the last as she is a Senior.

JESSIE GRINDLE

(Jess)

Jess started at her old position as guard but was later changed to side center. She has played two years and will be back next year as she is a Junior. Jess always plays better when "Lon" is around.

DOROTHY CLARKE

(Dot)

Dot played as center in several games this year. She nearly always got the tip off. Dorothy is a Sophomore and will be with the team next year.

HELEN DEAN

(Deany)

Deany was our faithful sub who was always prepared, but was never called upon. However her yelling kept up the girls' spirit and helped them out of more than one tight place. She is a Sophomore.

RAY E. FLEENOR "Coach"

Much credit should be given Coach Fleenor for the extraordinary success of the team this year as it was his perseverance and energy which bound the team together and made it possible for them to be the fighting, winning unit which they were. Winning eleven out of the nineteen games is the best record set up by Butler for the last five years.

We hope Coach Fleenor will make as good a success next year as this. All though we did not have a gymn this year they report that we will have a good one next year. All come out and help the team fight.

GAYLORD MULLET

(Captain)

Gaylord played in fourteen of the nineteen games at guard and proved to be a good defensive man but often came through with a winning basket—ask Salem. He is small but mighty and the opposing players would as soon hit a stone wall. His weakness is women but "Cap's" theory is that there are three types of men who succeed with women: men who make them wonder; men who make them worry; and men who make them weep.

TELSCHOW OCKER BLAKER KESTER

WIDEMAN MILLER HIATT RANK

LEWIS TELSCHOW

(Big Boy)

"Big Boy" the tallest man on the team played center and was not outjumped by many of the opposing centers. He is the best long shooter on the team and is one of the most dangerous under the basket—ask Harlan, they know. Lewie is captain elect for next year and we feel sure he will prove a good leader. His greatest delight is making people look up to him and he tells us that the young lady of whom he is quite fond, is no ball player but is quite an athlete—she has won several loving cups.

GEORGE OCKER

(Fiz)

"Fiz" a senior this year played a real game at floor guard and on several occasions made baskets that were the deciding factors of the game. It took him a while to get going but he was in fine shape for the Ligonier game, and his ability to hit the basket was one of the deciding factors in our favor. "Fiz's" hobby—training rules; weakness—girls with bobbed hair. George says that he is not much of a card shark but that he has held some mighty good "hands" in his time. "Fiz" you played the game and when the Great Scorer comes to write against your name He writes not what you won or lost, but how you played the game.

LAWRENCE BLAKER

(Blake)

"Blake" a new man at the game proved his worth before the season was over. He played at forward and was a fighter who always kept the opposing team worried. He is only a Sophomore and should fit well at forward again next year. "Blake" is quite a ladies man and insists that even though he has grown up he will always take his eggs cooked. His greatest delight is to wash his hands in warm water and start Fords after midnight.

ESTEL KESTER

(Gibraltar)

Kester, playing his first year on the team made an impressive showing and early earned the name of Gibralter. He is one of the best back guards ever turned out at Butler and as he is only a Sophomore great things are to be expected of him in the future. "Gibralter" is quite a thinker and worked out the theory that girls carry their money in their stockings because it draws more interest there.

ALBERT WIDEMAN

(Al)

"Al" was one of the new men on the team and although he did not play all of the games, he got several of them. He is a reliable guard and will make a good man for the team next year as he is only a Sophomore. "Al" is one of the good looking chaps on the squad and he slipped us the information that he had never been pinched for speeding but that he had been slapped for going too fast. His greatest delight is to make dates for the coach.

RUSSELL MILLER

(Russ)

"Russ" played both center and guard and performed equally well in both positions. He is a hard fighter and never quits. His great improvement as the season passed was sufficient to warrant him a place on next year's squad. He clings to the idea that the bee that gets the honey is the one that is always buzzing around the pretty flowers.

ALBERT HIATT

(Al)

"Al" proved to be one of the mainstays of the team this year, and was a bear at forward. He is one of the hardest fighters on the team and is in the game from start to finish. His knowledge and experience in basket ball stood him in good stead and his example kept the team fighting. He played in every game, led the team in scoring, and was selected as all-district forward at the district tournament. "Al" informs us that kissing a girl is just like opening a jar of olives—after you get the first one the rest come easy. Albert is a senior and leaves us this year. "Al" we hate to say good-bye.

WALTER RANK

(Ranky)

"Ranky" was the midget of the team, but he more than made up for it by speed and aggressiveness and he usually slipped in under the basket for shots. He is only a freshman and much is expected of him in years to come. His weakness—getting to bed early in the morning. "Ranky" says that its hard to find an orange, a lemon, or a girl that is not of the "Sun-Kist" variety now-a-days.

Girls' Basketball Games

Ashley at Hudson (Oct. 20)

In this, the first game of the season, neither team was able to score for fully five minutes. Then Ashley scored from the foul line. The first half ended with a score of 13-18 in favor of Ashley.

In the first few minutes of the second half the Butler girls held the Ashley players down splendidly. Then they began to loose out. The game endel 26-17 in favor of Ashley.

Corunna at Corunna (Oct. 28)

The game started with a free throw by Butler and a field goal by Corunna. The first half ended with a score of 7-4 in favor of Butler. The second half started with a field goal by Corunna, Butler following with another. The game ended with a score of 8-9 in favor of Butler.

Flint at Flint (Nov. 3)

Butler secured a lead early in the game. The first half ended 6-2 in our favor. In the second half each team got one point on a foul but neither were able to score from the field. The game ended 7-3 with Flint trailing.

Corunna at Corunna (Nov. 18)

Butler was not able to score at all in the first half. In the second the lineup was changed but it was too late to overcome Corunna's lead. The final score was 6-10 against us.

Waterloo at Waterloo (Dec. 8)

We were badly defeated by Waterloo, but this was due mostly to the lack of practice of the Butler girls. In the first half only one point was made by Butler while Waterloo scored 25 points. In the second half Butler's close guarding prevented the Waterloo girls from making but two baskets. The final score was 27-1.

Hamilton at Hamilton (Feb. 2)

We again met defeat in this, our last game of the season. This was our hardest game, and our lineup was greatly weakened by the illness of several of our best players. During the first half Hamilton made 8 points and Butler none. In the second half Butler scored 2 field goals and Hamilton 3. The game ended 14-4 in favor of Hamilton.

Boys' Basketball Games

Butler at Ashley

BUTLER opened its 1922-1923 basketball season with a win over Ashley. The game started with Ashley taking the lead by scoring both from the foul line and the field. Butler soon started scoring from the field and the foul line. The half ended with a score of 7 all.

At the beginning of the second half Butler came back strong and secured a lead which Ashley was not able to overcome. The game ended with both teams fighting hard, Butler leading 18 to 16. This victory is important because Ashley has three or four of Hudson's players who played in the district finals last year.

Corunna at Butler

Butler continued its winning record by winning from Corunna with a score of 42 to 2 in an easy manner. The Corunna quintet showed a lack of practice so that after the first two minutes the outcome was never in doubt. Sturgis and Rank made five field baskets each and Telschow and Ocker each made four.

Butler at Flint

Butler registered their third straight victory of the season when they defeated Flint in an overtime game 33 to 30. The game started with Flint taking the lead which Butler was not able to overcome, the half ending 18 to 13 with Butler trailing.

In the beginning of the second half Butler by clever passing and shooting tied the score. Butler winning in the overtime period. This was Sturgis' last game with us but he scored 19 out of the 33 points.

Butler at Corunna

Butler won its fourth straight victory when the Corunna team was defeated 17 to 2 on the latter's floor. Corunna put up a harder fight than the first game but were unable to get through Butler's defense. Rank was the scoring ace with 13 out of the 17 points.

Butler at Salem

By defeating Salem in two overtime periods Butler made its five straight victories. The Butler crew played a poor game in the first half which ended with Salem leading 6 to 4.

The second half was different from the first. Butler came back strong and tied the score of 10 all as the half ended. Butler scored the winning basket by a long shot by Mullet in the second overtime period making the score 14 to 12.

Butler at Waterloo

After winning five straight games, Butler met their Waterloo on Waterloo's floor 16 to 7. The first half was slow but the second saw both teams playing faster ball. This was Kester's first real test under fire and he played a good guarding game.

Butler at Auburn

Auburn handed us the short end of a 23 to 11 count on their floor but they knew they had been to a basketball game. The last half we outscored them but their first half lead was too great to overcome.

Harlan at Waterloo

Again Butler showed their superiority as basket tossers when they defeated the fast Harlan team 31 to 29. Telschow with five field baskets, four of which were made in the last half, was the scoring ace for Butler. This was our last game before the holidays.

Alumni at Hamilton

The High School Varsity won a fast and exciting game from the Alumni during the holidays by a score of 23 to 22. Among the old timers were such stars as McClellan, Sewell, Vernier, Shumaker, Smurr and Hollinger. Three of these men were former captains of B. H. S. teams. This was our third overtime game of the year and Rank was the one to toss in the winning basket just before the final gun.

Ligonier at Hamilton

Contrary to expectations Butler downed Ligonier by the score of 10 to 8. This was a freak game all the way through as the first half ended 4 to 2 in favor of the visitors and neither team scored from the foul line although fifteen trials were attempted.

County Tournament

Butler played two games in the tournament one with Spencerville and one with Garrett.

Butler VS Spencerville

Butler drew Spencerville in the County Tournament and after a hard game turned them back by a 16 to 15 count. At half time the score was Butler 12, Spencerville 7. This gave us the right to meet Garrett in the semi-finals.

Butler VS Garrett

We entered this game somewhat tired because of having played the last game in the morning but fought all the way. The first half saw us trailing 13 to 3. We were not able to

do much better the last half and the game ended 25 to 7 against us.

Butler at Waterloo

Again Waterloo turned the trick and we lost 27 to 16. Telschow was out due to vaccination and Hiatt jumped center. Ocker led in the number of field baskets with three. Hiatt connected for two field counters and six from the black line.

Butler at Harlan

Handicapped because of illness we went to Harlan determined to give them a good game but were defeated 20 to 9. Miller substituted for Blaker played a good game. Harlan had a good floor and high ceiling but we were unable to locate the net.

Butler at South Milford

This game began with Butler assuming the offensive and the South Milford guards were unable to stop us and the half saw us leading 13 to 7. The second half South Milford played much better and nosed us out of a hard game, the final count being 23 to 18 against us.

Butler at Pleasant Lake

Again we broke into the winning column and we romped through Pleasant Lake 20 to 8. At half time we were leading 8 to 6. The second half we boosted our score but held them to one field basket. Ocker again made his usual number of field baskets (3). Hiatt made four free throws out of as many attempts.

Auburn at Hamilton

Auburn succeeded in handing us our worst drubbing of the year. At half time we were trailing 12 to 2. The second half ended with us still trailing but by a larger margin 30 to 8. Ocker and Hiatt made the only field baskets of the game.

Butler at Ligonier

We upset the dope bucket again, defeated Ligonier on their floor, and ended the regular schedule with a victory. The first half we were leading 12 to 6 due to baskets by Telschow, Ocker, and Hiatt. The second half Ocker sunk three field markers and Rank a free throw. Wideman played his first game as guard and did fine.

District Tournament

Garrett at Angola

We drew Garrett for our first game at the District Tournament. The first half was close but due to a long shot near the end Garret was leading 10 to 8. The second half we lacked endurance and Garrett slowly but surely increased her lead and won 29 to 12. Hiatt made ten of the twelve points and a berth an the all-district team. Telschow dribbled the entire length of the floor for a basket. Wideman played a good guarding game.

Brilliant Fresh. "Yes," and "say, wouldn't that make a peach of a book."

Yes I was a Freshman, too. Some of the happiest years of my life I spent as a Freshman.

Heard the Morning After The Night Before

The two renowned gossips of the Senior Class came to school with faces smiling serenely for—from some source—no one could tell, they had heard some more news, and being gossips they couldn't possibly keep it, and as soon as Wayne saw us he said "Spill it." He was told not to whisper it but—Zona had been found out—she is writing to a fellow Whom Al, very jealously, calls "Blazzes."

In return for the bit of news we had just slipped, we heard —Now I'm afraid you wont believe it but it's true for Wilda told Zona, she told Al, Al told Wayne and he told me, and I asked Mabel and she affirmed that she had had a date on Sunday night.

We two partners sauntered through the hall on the way to the fountain, when we heard Lavon Mavis and Estel Kester telling the rest of the Klan that they had spent a very enjoyable Sunday evening following three couples around the city, namely, Gonda Gares and Ted Hammond, Sarabell and Gaylord, Ted and Harold, but Thelma confidentially told me she was in St. Joe the night before—We saw Miss Gares get off the bus Monday morning as she came from Bryan. Now fellows do you know who you were following?
